

Health Inventory

To be completed by health practitioner. Please complete every line of this form. If the child has no special conditions, please indicate so by writing "none" in the appropriate spaces. *Columbia Association School Age Services (SAS) programs operate group care programs, and our ratios are 1:15, as required by MSDE. While we strive to provide as much specialized attention for the children as possible, we are unable to provide 1:1 care, diapering/ bathroom assistance or individual companions. Our programs include group and individual activities, snack and outdoor play.*
