

TO BOOK YOUR SAS RESERVATION

Registration opens at 8am May 16, 2023.

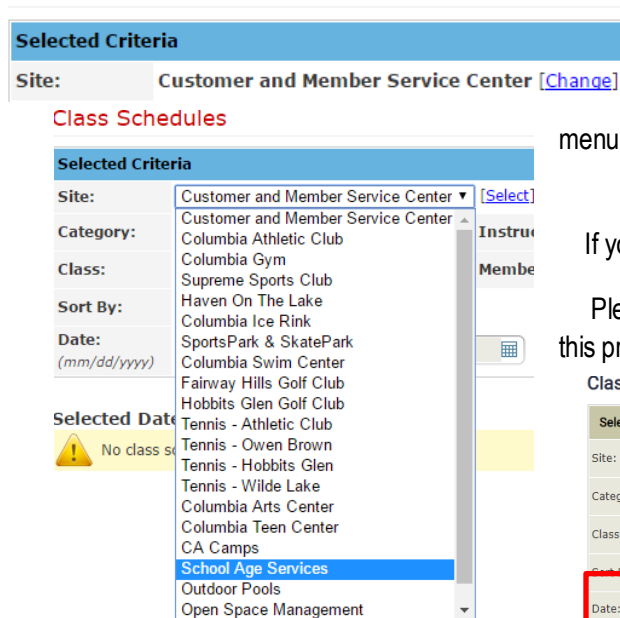

This is step one in the registration process. If you secure a space, you will then receive forms and a survey via email that must be completed to finalize your Space Reservation Request. The survey will help us ensure that we are holding a spot in the right program and can help us clear people off the waitlist. The paperwork and \$50 registration fee must be returned by 4pm Friday June 2, 2023 in order to complete the registration.

From the [CA Online registration system home screen](#)

Select **classes** from the member login screen –it does not list registration as an option because this is a one-time event.

Click on **change** and select **School Age Services** from the drop down menu

Select the appropriate family member(s) and click **Register** if you were able to secure a spot or **Confirm Waitlist**.

If you have secured a spot you will receive a confirmation email with instructions to complete the registration

process. If you are waitlisted you will be contacted when a space opens up. Unfortunately we have no way of telling how long this will take. Often within a few days we are able to move some people off the waitlist.
