

Lake Elkhorn Stream Restoration Flow Chart

★ Where we are in the process as of April 2023.

Public Input

* IRT: Interagency Review Team, an interagency team (as the name implies) that provides regulatory review, approval, and oversight of a mitigation bank and consists of the Maryland Department of the Environment (MDE), US Army Corps of Engineers (USACE), US Environmental Protection Agency (EPA), US Fish and Wildlife Service (USFWS), Maryland Department of Natural Resources (DNR), Maryland Historical Trust (MHT), Maryland Critical Area Commission (CAC), and National Oceanic and Atmospheric Administration – National Marine Fisheries Service (NOAA).

** Timelines are estimates; actual times may vary based on agency approval and stakeholder participation and some timelines may overlap.
